Penfield Group House is the home of Terry Lee Brussel, founder and organizer of Live the Dream. Many of our concepts on relationships come from Robert Heinlein's Stranger in a Strange Land and Moon is a Harsh Mistress. **Our home is a beautiful one in a nice neighborhood of the West San Fernando Valley. It has two fireplaces, a high ceilinged grand living room, dining area and big country kitchen. Washer and dryer available. We have a clothing optional hot tub. We share good conversation, holidays, outings, special occasions, hugs and household chores.** Imagine coming home to a beautiful house, a well-kept yard filled with flowers and trees. Space for a garden if you have a green thumb. The fire place may be lit if it is winter. You come home to the smell of something delicious being cooked by one of your housemates. Or perhaps you are the housemate doing that cooking—that nurturing. You share a good dinner with whoever is at home tonight. Afterward, you might go to the privacy of your room, soak in the hot tub with good friends, join a lively discussion in the living room or cuddle by the fire. Sound good?
