Live the Dream

October-November 2022

Live the Dream is an education and support group for those who, originally inspired by the writings of Robert Heinlein, Robert Rimmer, and Marion Zimmer Bradley, are now ready to LIVE such alternative lifestyles as cooperative living, open relationships, and group marriage. Many of our concepts on multiply committed relationships come from Heinlein's *Stranger in a Strange Land* and *Moon is a Harsh Mistress*. Live the Dream also sponsors a nest of Church of All Worlds, the real life, over fifty-year-old spiritual movement inspired by *Stranger in a Strange Land*.

Please visit the Live the Dream website at www.livethedream.org to view current events, past articles, etc. Terry Brussel-Rogers is a Certified Clinical Hypnotherapist, Life Coach, & a 4th generation Matchmaker. How Has Covid Changed Our Social Options? Strategies for Building Friendships and Love Relationships in the New Normal

How can we balance safety with JOY in our lives? Your input appreciated!

Why are business mixers going strong with participants swarming to them in locations indoor and out, then standing much closer than 6 feet apart while transacting business while the poly community has all but stopped live meetings and even the Cuddle groups are doing it on Zoom?

Just talked to a friend involved in SCA—meetings in parks are going strong and attracting hundreds. They are not social distancing as they reenact the time before the Renaissance. BDSM and LGBTQ groups are meeting in restaurants. Nudist venues have indoor /outdoor events with plenty of hugging. I looked for a Poly gathering to promote our 35th anniversary celebration—NOTHING was going on live! In LA! Is this the way we want to live in the future? Has Covid brought a future of virtual contact replacing touch into reality much sooner than we expected...?

Why more in the poly community than in related communities? There are, of course, plenty of people isolating among the mundanes for reasons ranging from health to phobias. It may be safer to stay away from people as far as not getting Covid is concerned, but lack of touch has its own negative physical and emotional results. Covid Isolation is becoming a syndrome in itself. As a hypnotherapist, I am helping my clients deal with it in various forms from depression to hives.

Good thing I pioneered telephone hypnotherapy in 1995! I just did not realize how isolated our own poly community had become. What do YOU want this to look like in your future?

Meanwhile, we have you covered—Live and on Zoom.

LosCon 48 at the Marriott Los Angeles Airport Hotel

Thanksgiving Weekend 2022 We have a panel this year!

Next Newsletter will have time and room!

Has Science Fiction changed the course of relationships in America over the last fifty years? America has gone through many social upheavals in the last half century. We are arguably not the same society that we were in the 1960's/70's. In many ways we have become the society that writers like Robert Heinlein, Marion Zimmer Bradley, Spider Robinson and Anne McCaffrey have written about. There are people now who live in multiply committed relationships, same sex marriages, triads, open marriages, group houses and other configurations. Many more people have thought about trying different kinds of relationships. The presenters of this panel have studied, written about, and lived many of these alternative lifestyles, and will talk about the changing face of relationships in fandom, and in America.

Samhain is a Pagan holiday on which the veil between the worlds of spirit and matter is lifted and it is possible to be spiritually in touch with our ancestors and those we loved who have passed on. Ancient knowledge may be shared with the living. Rituals are performed to keep any negativity from the past out of the future. It is a time of both endings and beginnings.

From an All Hallows Eve Ritual frequently used at Live the Dream Meetings Over the Years
(You *Can* Try This at Home)

"On this night of Samhain, Summer's end, we greet the Winter, knowing full well that at bright Beltane we will be saying farewell. Let us be Merry despite the growing icy chill. In Death is Life and in Life Death. The Sabbat Wheel is ever turning...Samhain fires are burning. Come tread the sacred ground, let loose of all that bound and set your spirits free! Blessed be."

When all four quarters have been called, leader says "WHAT IS NOW IN THE CIRCLE IS BETWEEN THE WORLDS. WHAT IS BETWEEN THE WORLDS DOES NOT CONCERN THE WORLD!"

PRIEST turns to face PRIESTESS. She crosses her wrists on her chest and stands with feet about 12 inches apart as PRIEST administers the Fivefold Kiss. As PRIEST's head rises above her waist, she moves her arms until they are outstretched to the sides.

PRIEST kisses in turn PRIESTESS's feet, knees, vagina, breasts and lips saying, as appropriate
"BLESSED BE THY FEET, WHICH HAVE BROUGHT THEE IN THESE WAYS."
"BLESSED BE THY KNEES, WHICH KNEEL AT THE HOLY ALTAR."
"BLESSED BE THY WOMB, WITHOUT WHICH WE WOULD NOT BE."
"BLESSED BE THY BREASTS, FORMED IN BEAUTY."
"BLESSED BE THY LIPS, WHICH SPEAK THE HOLY NAMES."

PRIEST says "WELCOME, LADY!" and kisses PRIESTESS on the lips again.

PRIESTESS now returns Fivefold Kiss, with PRIEST duplicating PRIESTESS's movements when she was the recipient, as she says

"BLESSED BE THY FEET, WHICH HAVE BROUGHT THEE IN THESE WAYS."
"BLESSED BE THY KNEES, WHICH KNEEL AT THE HOLY ALTAR."
"BLESSED BE THY PHALLUS, SOURCE OF THE SEED OF LIFE."
"BLESSED BE THY BREASTS, FORMED IN STRENGTH AND BEAUTY."
"BLESSED BE THY LIPS, WHICH SPEAK THE HOLY NAMES."

PRIESTESS says "WELCOME, LORD!" and kisses him on the lips again.

PRIESTESS: "We are gathered here tonight to celebrate another turn of the wheel of the year. Samhain marks the New Year's Eve of wiccans, our greatest holiday of the year. Once again, we begin the cycle of fertilizing, planting, nurturing and harvesting. At SAMHAIN the veil between the worlds is the thinnest; at Samhain those who have already crossed over can return the easiest. It is they whom we honor and let them know we still think of them and love them.
We shall go around the circle thrice. The first time, let each person call upon someone who has gone before and invite them to join our circle tonight as honored guests. Starting with the person at the east quarter, let us go around the circle in turn as each person calls by name the one, they wish to invite, their relationship to that person and what they wish to give that person as a gift to take back with them to the other side."

(Example: " I call upon Rose Propper, my Aunt, and give to her the joy of knowing her art hangs throughout my home inspiring an artist within our home. I give her his art to enjoy on the other side."

PRIEST and PRIESTESS call upon their departed after participants have gone around the circle to the east quarter again.

PRIESTESS: "WE WELCOME THEE ALL, WHO HAVE COME FROM BEYOND TO JOIN US IN THIS CIRCLE. BE REASSURED THAT THOU ALL ARE LOVED, NOT FORGOTTEN."
